To display all the activities, efforts and achievements in the field of science for human welfare. Every year National Science Day celebrated with theme, for 28<sup>th</sup> February 2023 National Science Day celebrated on theme "*Global Science for Global Wellbeing*" Rajarshee Shahu Science College Organized Guest Lecture on them "*Global Science for Global Wellbeing*" resource person of the program was Dr. R. V. Dhande, sir currently designated as Assistant Professor Department of Botany Shri. R. R. Lahoti Sci. College Morshi. Dist Amravati. Sir emphasized various aspect of science in daily life and improvement of human life. On this occasion college organized various competition to build the confidence & interest among the students. College organized competition like Scientific Photography, Scientific Rangoli, Poster & working model competition. Competition was held in three categories school level, Jr. College level & college level. Total 174 participants participated in competition. Resource person Dr. R. V. Dhande, Principal of college Dr. M. P. Chikhale & convener of program Dr. Pravin R. Sardar inaugurated all Scientific events. The college Professor Dr. Roshni Bhagat, Dr. S. P. Patharkar, Prof. Mamata Palspagar was jury of various events. Jury selected some extraordinary students in various categories and college felicitated winners with prizes and certificates. In senior college Pratik Gjabhiye Secure first Rank in Working model model categories. Vaishnavi Kambale and Rutuja Chaware Secure First rank in craft exhibition, Suhani rathi and Mohini nagoshe secure second rank in craft competition. In poster competition Snehal Shivankar secure first rank, Vijay R. Meshram secure second rank, Divya dhurve secure third rank, Miss Puja Bhaise

secure consolation prize. In Rangoli competition Ku Shreya Jibakate secure first rank, Ku. Sanjana Uike secure second rank and Ku.Sampada Thakare secure third rank. In Articals and Blogs competition Vaishanvi Mahalle secure first rank, Snehal Shivankar secure second rank. In Scintific Photography competition Shantanu Jagtap secure first rank Ku. Prapti Wankhade secure second rank. In School catagaries Prachi Bhaise secure first rank and Om Vinchurkar secure second rank in working model competituion in poster competition.In poster Anushree Patil secure first rank and Neha Dhoke secure second rank.In Rangoli competition Arya Dongare secure first rank, Punam Kamble second rank, Ku. Bhawana Bawaner secure third rank. In Juniar College categorirs Ku. Ruchika Chaudhari secure first rank, Ku. Bhakti Wankhade Secure second rank and Ku. Laxmi Jain secure third rank in Rangoli competition. In Poster competation Ku. Bhakti Wankhade secure first rank Ku. Ruchika wankhade secure second rank, Ku. Vedika D.Kadukar secure third rank. In model competition Ku. Nisha Lakhani secure first rank and Om kalmegh secure second rank. Entire program organized by Dr.Pravin R. Sardar and Ku. Prapti Wankhade Done Anchoring of program.

## World Fungus Day

### “National Level Photography Competition – Fungal Diseases on Fruits and Vegetables”

#### Academic Year – 2022-2023

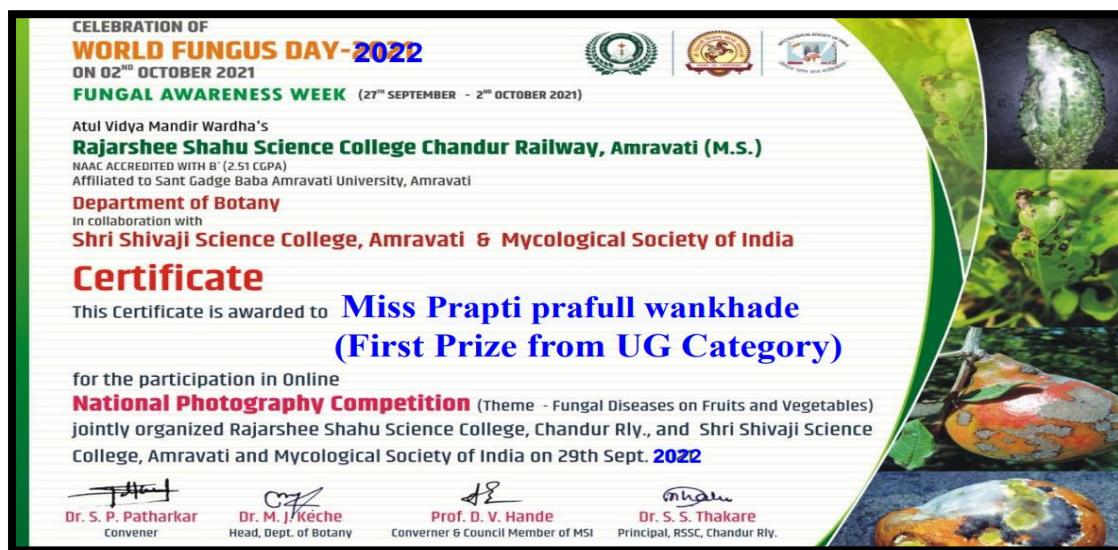

Fungi are very crucial to our very existence, as mycorrhizal partners with plants, and as major decomposers and nutrient cyclers, needless to mention as producers of medicines and food, which they provide to us. Even many biologists, do not realize the importance of fungi. According to many people’s opinions on fungi, fungi are coloured sinister connotations from stories, and that fungi rot our food and homes, kill our plants, and that some are deadly poisonous. They do not know that our planet’s ecosystems would not function without fungi; there would be no fertile soil, no plant life, no herbivores, no carnivores, and no human being.

For creating awareness and to introduce the general public to fungi, all mycologist decided to celebrate fungal awareness week from 26<sup>th</sup> September to 1<sup>st</sup> October and 2<sup>nd</sup> October as World Fungus Day. On this eve our Department of Botany, RSSC, Chandur Rly. in collaboration with Shri Shivaji Science College, Amravati (MSI Amravati Unit) and Mycological Society of India had organized “**National Photography Competition -Fungal Diseases on Fruits and Vegetables**” with the objectives given below:

- to present the basic concepts and ideas, but also to spark (preserve/ strengthen) students’ interest towards the fungi.
- to build the confidence of students in world of fungi.
- to celebrate the awareness week of fungi.
- to allow students to appreciate and love nature.
- to gain knowledge of post-harvest diseases.
- to develop collection and identification skills of students

for all streams of UG, PG and Research Scholars students from 26<sup>th</sup> Sep. to 1<sup>st</sup> Oct. 2022.

**Convener**  
Dr. Sampada P. Patharkar  
Assistant Professor  
Department of Botany

### **Har Ghar Tiranga Awareness Program completed under National Service Scheme**

‘Har Ghar Tiranga ’ is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India’s independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

India celebrated its 75th anniversary of independence on August 13, 2022, and to mark the occasion, the government launched the "Har Ghar Tiranga" campaign as part of the Azadi Ka Amrit Mahotsav. This campaign aims to inspire a sense of patriotism in people and raise awareness of our national flag while also honouring the unsung heroes of India's freedom struggle. So, to express our enthusiasm, the NSS Unit of Rajarshee Shahu Science College, Chandur Railway, Sant Gadge Baba Amravati University, Amravati organised program at 13 August, 2022. To raise awareness of the "Har Ghar Tiranga" initiative and to make it more well-known among the people, NSS volunteers in one project went door-to-door in their area and in the villages they had adopted. They also took geotagged images on the same day of their visit for documentation, as well as a record of the number of households they visited.
