## Talking Tree App

This is an android app that gives information about trees. This app tree itself gives information to users after scanning the QR code or by selecting the number which is assigned to each tree.

The tree gives information like their Common name, botanical name their habitat, Native place & its medicinal applications. At last, it gives a message for tree plantation.

This currently working in Marathi, Hindi, and English languages. Users can choose any language from these and the app is working on the selected language.

### Ganesh Idol Sale Centre

### College Campus Selling Centre

### Market Selling Centre

Ganesh festival is one of the major festivals celebrated in our region. Every year Ganesh idols prepared with plaster of Paris and chemical colours are polluting our environment hence to reduce impact of plaster of Paris and save our water resources from harmful material, Eco-friends is organizing “पर्यावरणपूरक मातीचे गणपती” since inception of this association. The citizens of Chandur Railway are giving huge response to this campaign every year. Many of them are benefited by this campaign and purchased clay Ganesh Idols from the stall at college campus and market stall also.
