12	I have the freedom to adopt/adapt new techniques/strategies of testing and assessment of students.	0	0	8	67	25
13	The environment in the department is conducive to teaching and research.	0	8	17	50	25
14	The administration is teacher friendly	0	0	0	58	42
15	The University provides adequate and smooth support for projects and research facilities.	50	0	8	42	0

**Comments**

*The Exam pattern should be annually*

*Career oriented part shall be included in the syllabus also there must be correlation between theory and practical*

*There must be inclusion of more number of practical related to the real life application*

*The Curriculum should be practically skill oriented*

*The Curriculum should be job oriented and beneficial to the society*

*Improvement in the syllabus is necessary for maintaining the standard in higher education*

*Syllabus should be design to related to industrial needs*

*Syllabus should be modify and includes new ideas*

*Syllabus should be more applicative based*

We want canteen

improve your books stoerage

-----

PROGRESSIVE

No

I hope that this will be better in future

we vant canting

We want cantin

All teachers are good

University could not updates question papers they repeated question paper every year that's why students know about 80. Percentage questions which are allotted in question paper and they study only those questions that's why we are soo behind in knowledge, actually we chase marks rather than knowledge, I hope this situation should be better in upcoming days university should focus on developing the knowledge of students.....Thnku i apologies my words if I'm wrong

No comments

## 16) Comments and Suggestion

9 responses

Curriculum design is urgent

Theory and practical syllabus should be balance

Need to arrange mathematic prgm for increase the students interest in mathematics.

Practical syllabus is B.Sc.I previous years then theory going in B.Sc. II .

Students needs permanent faculty and reference books

Insufficient time to cover the course..

Increasse percentage of student attendance in class room

New techniques must adaopt quickly that will help to underlinining the college's status

The given syllabus of SGBA should be societal importance and job oriented. So my suggestion is that it should provides the carrier opportunities.

## College Infrastructure / Facilities

## Other Basic Facilities

## Library Facility

Comments and Suggestion

26 responses

I want school bus

All facilities are good

All facilities are good.

All facilities are good... But students and teachers interaction is very weak....

Our college is best in all activities, facility for students and cleanness in college campus

It's very hardworking and always will be try too became more good

All are good... because of our staff...thank u so much for all of this

College is so far away plz take action for students and all things are good.

All facilities are excellent.

8 responses

No

No suggestion

No .

There is no link between the topics of the 1st year, 2nd year and 3rd year. The topics should be linked from 1st year to 3rd year in the curriculum.

Curriculum should be frequently reconstituted and there must be continuity in the subject matter. Making small parts of concepts is not in favor of Student's study

Nice survey, that help to improve quality Of education.

# Session 2020-21

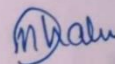

### RajarsheeShahu Science College, Chandur Railway

#### Feedback Process:

Feedback is vital part of teaching and learning process. It helps the mentor to recognize that how the students know his or her subject being taught. This is a significant where teacher can get better his/her teaching methodology that will finally benefit the student. The collection and analysis of feedback from different stakeholder assist the institution to understand the need of society and what other stakeholder foresee from the institute. With this aim the college has developed following feedback systems. The feedback's are collected from the all stakeholders by the IQAC through feedback committee and analyzed. From academic year 2020-21 College has introduced online feedback system. After analysis of feedback an inclusive reports are prepared and will be communicated to concern teaching staff/ department head / examination In-charge/ library/BOS of University for their improvement. The report of the same will be uploaded on the college website.

Sr. No	Feedback type	Frequency in a year	Objective
1	Teachers Feedback	Once	Design and review of Curriculum
2	Alumni Feedback	Once	Design and review of Curriculum
3	Parents Feedback	Once	Design and review of Curriculum
4	Employer Feedback	Once	Design and review of Curriculum
5	Final Year Students Feedback on Course	Once	On the syllabus of courses
