Voter Awareness Campaign (Street Play on Voter Awareness) (2021-2022)

A Pre-Election Voter Awareness Campaign (PEVAC) is aimed at sensitizing voters about the importance of participating in the electoral process as a way to ensure a responsive, accountable and democratically elected government. In a democracy, a free and fair vote is the fundamental tool through which citizens can express their political preferences and developmental wishes. To follow the instructions given by government about voter awareness campaign, NSS Department of RSSC, Chandur Rly created Google form on 23rd October 2021 to collect information about the students who has not voter id and collected information. From the collected information through Google form, near about more than 68.9% students has not voter card. To became aware of society about voting, NSS department in collaboration with voting literacy club organized street play and voting awareness and registration camp in Dattakgram Kalamjapur on 27th November 2021. Sarpach, Members of Grampanchayat and other peoples in village were present for this programme. 10 students namely as below were participated in Street Play on Voter Awareness.

Awareness Program on Herbal Holi (2021-2022)

This year too, on the occasion of "Rangpanchami" of 2021-22, a unique initiative "Natural Holi Color Awareness Workshop" was organized by the Department of Chemistry and SIGNature Club on March 27, 2022 at 11.00 am. The event was presided over by Dr. S.S. Thakare ,Principal, Rajarshee Shahu Science College, Chandur, and Dr. G.B. Santape, convener of the SIGNature Club and Dr. A.D. Bansod, Head of the Department of Chemistry, Dr. S.S. Padhen, Assistant Professor and Dr. A.P. Thakare ,Assistant Professor were present on the dais. In the event Dr. A.D. Bansod was given a presentation on how to create natural colors in a highly scientific way from the fresh "Butemonosperm (Plas) flowers of the season". These natural colors were first made available to the public in advance at no cost. Thus the natural colour contributed awareness about harm of the chemical dyes. All the staff of the Department of Chemistry successfully organized the event.
