Session 2022-23

Activity Title	Workshop on ‘Introduction to Basic Electrical Components’
Date & Time	Saturday, 29/04/2023, Time: 2.30 pm to 5.00 pm
Venue	Department of Physics, RSSC, Chandur Railway
Objective of the Activity	<ul style="list-style-type: none">To make aware about the Electronic Components its function and uses in different electrical circuits.Fault finding and repairing basic domestic electrical appliances.
Organizer	Department of Physics
Organizing Members	Dr. A. P. Pachkawade, Head of Physics Department Mr. S. A. Wani, Asst. Prof. Dept. of Physics Dr. Roshani N. Bhagat, Asst. Prof. Dept. of Physics
Chairperson	Dr. M. P. Chikhale, Principal, Rajarshee Shahu Science College, Chandur Rly.
Resource Persons	1. Shri Kumar Kashinath Sisode, Instructor, Government ITI, Chandur Rly. 2. Shri Sudhakar Sampat Kamble, Instructor, Government ITI, Chandur Rly.
Beneficiary	UG students (66) of our college.
Briefing of Activity	
<p>A Workshop on ‘Introduction to Basic Electrical Components’ was conducted in Physics Lab on Saturday, 29 April 2023. The program was inaugurated at the hands of guest speaker Shri Kumar Sisode sir and Shri Sudhakar Kamble by lighting the lamp and garlanding the photo of Rajarshee Shahu Maharaj. The introductory speech of the program was given by Asst. Prof. Mr. S.A.Wani.</p> <p>In the first session, Shri Kumar Sisode sir with his vast experience in teaching field as an instructor in government ITI, make students understand function, uses and the wide applications of basic electrical component like register, transistors, capacitors, ICs etc.</p> <p>In the second session, Shri Sudhakar Kamble, Instructor, Government ITI practically demonstrated the measurement of basic electrical physical parameters and reuse techniques of non-functioning LED bulbs. Students in groups have exposed to hands on practice of repairing non-functioning LED bulb. A total of 66 students of our college benefited from the workshop.</p> <p>Dr. M. P. Chikhale, IC Principal, in his presidential speech motivated students to equip themselves with different skills for more probabilities of better job opportunities. Introductory speech was delivered by Dr.Ms Roshani N. Bhagat. The program was anchored by a student Ms.Sakshi Pandit (B. Sc. II year) and vote of thanks was proposed by Dr. A. P. Pachkawade, Head Department of Physics.</p>
