#### National Digital Library of India

The National Digital Library of India (NDLI) is an online repository of educational resources sponsored by the Ministry of Education, Government of India. It goes beyond simple search and browse functions, offering a range of services for learners. The platform employs filtered and federated searching to help users find relevant resources efficiently. NDLI caters to specific user groups such as students preparing for exams, job aspirants, researchers, and general learners. It supports content in multiple languages and provides interfaces for the 10 most widely used Indian languages. The platform is inclusive, accommodating learners at all academic levels, across various disciplines, and accessible through different devices. Developed and maintained by the Indian Institute of Technology Kharagpur. The College has member user of NDLI.
