About College:

The Rajarshee Shahu Science College, Chandur Railway, Amravati established in the year 2008 under the visionary able leadership of Hon. Prof. Annasaheb Jagtap, Prof. Virendrabhau Jagtap and Prof. Mrs. Uttartai Jagtap. The college is 100% grant-in-aid UG Science College affiliated to Sant Gadge Baba Amravati University, Amravati. Within very short span, the college finds its foundation so well heeled with all basic infrastructures and has shown quantum jump in all dimensions like academic, co-curricular activities, conducive teaching-learning atmosphere and administration along with lush green campus. The college is committed to impart the quality education to its students.

About City:

Chandur Rly is a tahsil place well connected to the Amravati by rail and road. It is situated on Nagpur-Mumbai main railway route. It is at a distance of 34 Km from Amravati district and 140 Km from Nagpur district. It is situated in the vicinity of most beautiful forest area Pohara (Bandi) where there is nature biodiversity spot at Malkhed Reserve Forest. Also, the mythological historic place Kaundanyapur, Birth place of Devi Rukhmini, is just 29 km from the city on the Kurha-Arvi road.

About Workshop:

Quality education should be an important strategy in our nation's education. Teachers, especially college and university teachers are the main force of quality education. With fast growing technology across the world, expectations of the Learners in the higher education have reach to limitless. Thus, to meet the learners' demands, college and university teachers have to alter their teaching notion and teaching methods, establish new teaching ideology, and play their own role and fulfill their own task has become a need of time. Through powerful teaching reform, we should focus on educating and improve teaching quality and effect. Teaching is a method while educating is a purpose. The fundamental idea of

the workshop is to introduce new methods of presentation while aiming to bring a novelty in teaching methodology. The sole aim of the workshop is to enable the faculty to make their classes interesting and interactive.

Sole Letter of Appreciation

Dear Sir,

I would like to take this opportunity to express my heartfelt thanks to you for your talk on the topic "teaching and learning methods in higher education" as a resource person in the state level workshop on the subject "Teaching Methodology: Need of Today's Higher Education". The workshop was organized by IQAC of our college in collaboration with IQAC, S.G.B. Amravati University, Amravati on 04 January 2019.

The Chairman and Board Members have also asked me to pass on their sincere appreciation for your efforts in supporting the workshop in this important undertaking.

Your views on developing an effective teaching methodology and its execution have broadened our horizon. Please accept our appreciation for such a commendable job. We will take your words into practice. Once again, thank you for making the workshop successful, and we appreciate your continued support.

Yours sincerely,

 Dr. S.S. Thakare
