## Celebration of International Women's Day

On **March 8th**, International Women's Day is one of the most important days of the year to:

- celebrate women's achievements
- raise awareness about women's equality
- lobby for accelerated gender parity

Under gender equality cell we had organized a special programme to commemorate the International Women's Day on 8th March 2021. This year, the Cell decided to celebrate this event in a slightly different way. We have organized this event virtually on Google Meet.
